PROFESSIONAL EXPERIENCE

International Trade Officer | Spanish Trade and Investment Office (ICEX)

Milan, Italy | Jan 2026 – Present

- Produce market and sector analyses for Spanish companies entering or expanding in Italy, combining demand, pricing, distribution, competitor and partner assessment with cross-validated official sources (Eurostat, ISTAT, INE and TARIC).
- Monitor regulatory, public-investment and tender frameworks, including PNRR and Transizione 5.0, translating developments into commercial risks, opportunities and executive recommendations.
- Prepare decision-support briefings and coordinate stakeholders across Spanish trade associations, Italian industry bodies, bilateral chambers, the Embassy and corporate clients.
- Coordinated Spain's institutional presence at Milano Design Week 2026: four installations, 15+ participating companies and senior-level stakeholder engagement.

Financial & Business Controller | KPMG

Madrid, Spain | Jul 2025 – Oct 2025

- Analysed profitability, margins and performance variances across 1,000+ firm projects; identified improvement levers and produced strategic reporting for the CFO.
- Redesigned the CRM data-entry process and interface used by project managers, improving the reporting-cycle efficiency by 30%.

Commercial Programmes Controller | Airbus Helicopters Spain

Albacete, Spain | Mar 2024 – Apr 2025

- Managed strategic KPIs, customer delivery schedules and quality tracking for the H135 programme, the company's most profitable programme in 2024.
- Owned programme business-case reporting: monthly closings, forecasting, risk-and-opportunity tracking and financial reporting to the CFO.
- Analysed supplier contracts and technical specifications in international negotiations, contributing to improved programme margins through renegotiated commercial terms.

Urban Planning Intern | Móstoles City Council

Móstoles, Spain | 2023 – 2024

- Supported public audits, invoicing and data-informed improvement of administrative processes.

SELECTED DIGITAL PROJECT
